A woman with long brown hair, wearing a blue and white striped long-sleeved shirt and dark pants, is kneeling in a grassy field. She is smiling and looking down at a small, bare tree sapling she is planting. A red-handled shovel is stuck in the ground next to her. The field is filled with many other similar saplings, each supported by a wooden stake. In the background, there is a large body of water (a lake or fjord) and distant mountains under a cloudy sky. A white circular graphic with a thin black border is overlaid on the left side of the image.
